GENYOUth NATIONAL IMPACT REPORT

Advancing youth wellness in **The United States**

Since 2010, GENYOUth has raised $200,000,000
to support our nation's schools and help school children thrive by living well-nourished and physically active lives.

SCHOOL GRANTS in the U.S.
Supporting equitable access for youth since 2010

SCHOOL NUTRITION GRANTS

Grants have been awarded to support school nutrition initiatives at **17,464** schools with a combined enrollment of **18,268,002** students.

School cafeteria equipment grants have provided students with increased access to **1,892,866,590** meals each year.

PHYSICAL ACTIVITY GRANTS

Grants have been awarded to **23,893** school communities allowing **21,011,261** enrolled students to be active before, during, and after school.

YOUTH ENGAGEMENT

GENYOUth elevates youth voice through our **National Youth Council** and bi-annual **Youth Insights Surveys** on nutrition and physical activity.
